

Byron Bay Basketball Association

VISION STATEMENT

To provide a safe, enjoyable and integrated team sport that is community based, multi-cultural and non-discriminatory towards any individual or group, and which provides social and representative pathways for all aspects of the game.

MISSION STATEMENT

To establish the Byron Bay Basketball Association as an innovative, highly respected, financially stable and self-supporting club that is well managed. This in turn will provide a high quality of coaching and the opportunity for individuals to participate in accordance with the individual's ability and aspirations.

To promote the Byron Bay Basketball Association as a progressive basketball organization by providing opportunities for players, coaches and referees of all skill levels in a friendly family atmosphere

CORE VALUES

We confirm a commitment to developing a club culture which values:

Fun and Enjoyment

Accountability

Professionalism

Cooperation

Ownership

Respect

OUR DRIVING FORCE

Our commitment to each individual is to provide the best quality competition structure and coaching programs that are accountable, transparent and without prejudice.

OUR PRIORITIES

Domestic Programs / encouraging greater participation at all levels.

Representative pathways for both junior and senior players, coaches, and referees.

Referee and coaching development through high level training programs.

Basketball development with emphasis on community involvement through clinics, promotions at local schools and elite training camps.

The Objects contained in the Constitution of the Byron Bay Basketball Association support and uphold the Vision and Mission Statements.
